# Dulin Children's Corner

## Volunteers for Easter Presentation

Lent is in full swing and in April Easter will be upon us. The 8:30 am Easter Service (April 12th) is a family service during which we try to involve our children and youth. This year, the focus will be a presentation of photographs of members of our congregation that tells a story. The story is *Celebrate Easter!* and follows two children as they

try to find the meaning of Easter outside of candy and a few days off school.

We will take the pictures on Saturday, April 4th, from 10am until 12:30pm (light snack provided). We'll record the sound first (reading into a mic), take pictures of those in smaller roles, and then pictures of those in larger roles. This way, children can

go home as soon as they are finished. We need seven elementary aged children, three preschool aged children, eight adults, and two youth (one male/one female). This way we can sit back and enjoy seeing ourselves on Easter morning. If you are interested in participating, let Jamie know, or sign up in the bulletin.

## Pathways Talent Show

On Friday, March 6th, join Pathways for a night of food, fellowship, and laughs. Pathways will be from 6:30 to 8:00 pm and we will start

with a potluck dinner. Then the Pathways participants will have a chance to show off their talents in our talent show.

Pathways is a parent led fellowship group for 3rd through 6th graders. For more information contact Margaret Walters or Jamie Henthorn.

# New Sunday School Semester

March starts a new semester for our elementary aged Sunday School class. We will be continuing with Rock Solid curriculum from Cokesbury. The curriculum will follow the life of Christ and the early Church. This semester focuses on the end of Jesus' mis-

sion in March, the Easter story in April, and the work of the early Christians in May.

Dulin provides elementary aged Sunday School classes starting at age three and proceed through 6th grade. After which, we have classes available for middle and

high school. Our classes are 9:45 to 10:45 on Sunday mornings. Classes come with curriculum, crafts, games, and activities based on the age of the child. We have two teachers in each classroom, who receive training in on our Child Protection Policies.
