Pathways' Trip to Camp Highroad

On Saturday and Sunday, May 23rd-24th, Pathways will be taking an overnight trip to Camp Highroad in Middleburg Virginia. We will be meeting at the Church at 9:00am to leave for the event and intend to return Sunday around noon. The Pathways group will be spending the day playing games,

participating in a ropes course, and spending some time in devotion. This event has been a great deal of fun in the past and we know it will be just as fun this year. If you are interested in attending this event, please notify Jamie Henthorn as soon as possible so that we can plan accordingly.

This event is open to all individuals in the 3rd-6th grade, even if they have not attended prior Pathways events. There is a fee involved. Discussions of price, schedules of events, and packing will be coming in a few weeks for those who plan on attending.

Pathways

Join us for Pathways on Friday, May 1st. We will share a potluck meal and fellowship. The children will play games in the game room and the adults will dis-

cuss Pathway's trip to Camp Highroad, the 2009/2010 year of Pathways, and meet our new Pathways Coordinator, Rebecca DeGuzman. Pathways is a parent

led fellowship group for 3rd through 6th graders of Dulin UMC. If you are interested in joining, please email Jamie at children@dulinchurch.org

New Paging System in Nursery

Dulin has purchased a new paging system for our nursery. We will begin using it in late May/early June. The system is put out by JTech communications and will function similarly to the last system. The pagers will light up and vibrate if a parent is needed in the nursery.

A new facet of this system is that, if the pager is taken off site it will beep. In order to stop the pager from beeping, it must be returned to the church. So, please be sure to return

the pagers when you pick up your child from the nursery.

If you have any questions about the system before it is installed, please speak with Jamie
